

WHAT YOU CAN EXPECT:

Pre-screening our team members:

Wellness checks for every one before every shift to ensure our team is healthy and ready to serve you and your loved ones!

Personal protective equipment:

All team members will be wearing masks at all times during service and gloves when appropriate.

Hand washing & hygiene:

We're all washing our hands frequently throughout the day and have made sanitizing stations readily available throughout the restaurant.

Increased sanitation:

All high touch areas - tables, chairs, door knobs, phones and more are being sanitized and disinfected on a regular basis by a dedicated team member.

Social distancing:

We're adhering to social distancing guidelines by reconfiguring our tables arrangements and implementing signage encouraging others to keep their space.

Menus:

All of our menus will be single use and will be disposed after each guest is finished dining. Menus are also available digitally on our website.

Condiments:

Condiments will be brought out in single serve portions; we're also disinfecting all bottles & shakers between each use.

Beverages:

Ready for another drink? All beverages, alcoholic & non-alcoholic, will always be refilled in a new glass. All straws will be wrapped.

Multiple dining options:

We will continue to offer multiple dining options to meet the needs of all guests, including contactless curbside pickup.

We continue to comply with all state & local requirements. Check them out here:

- [New Jersey](#)
- [Pennsylvania](#)

HOW YOU CAN HELP:

Please stay home if you are sick, experiencing symptoms of COVID-19 or have recently been in contact with someone with symptoms.

Wear a mask whenever you are not seated at a table - this includes entering the restaurant or going to the restroom.

Adhere to all social distancing guidelines implemented within our restaurants.

Keep a positive attitude and help keep our teams safe as we navigate our 'new normal'.

Have a great experience? Let our staff and others know by leaving us a review! You can even post a picture of your awesome experience and tag us!
